HOBBIES & INTERESTS

I like computer games. I also enjoy
reading fiction, especially fantasy.
Listen to music a lot. Occasionally
I draw. I interested in Web (UI/
UX) design. Beginner Twitch
streamer (gaming, of course).

I hereby give consent for my
personal data included in the
application to be processed by the
company for the purposes of the
recruitment process.

SUMMARY

I have 7+ years experience in web development, mostly frontend. I participate in all stages of the web application development cycle. I am engaged in the recruiting and training of junior specialists, project management and communication with clients. Also, I have experience not only in web development, so I have worked with other technologies.
